RULES FOR USING THE CERTIFICATE:

For the purpose of placing the product on the market, the Certificate may only be used provided that the normative documents specified on Page 1 have not changed. If the harmonized or determined standards applicable to the certified products have changed, or new standards have been issued, the usability of the Certificate must be reviewed.

The Certificate may only be used as a certificate for the product specified on previous page. This also holds true for the use in advertising, promotional and commercial materials.

It is forbidden to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for product changed without the consent of the Engineering Test Institute in such a way that conformity with the technical requirements specified on Page 1 is affected.
